Christmas in Worcester

Pop into Worcester this Christmas and put the magic, delight and love back into those precious few weeks running up to Christmas.

In the atmospheric and historic city centre streets you will find some of the very best shopping in the country, and the perfect places to 'eat, drink and be merry'. Shop at unique independent boutiques, make the most of the big High Street stores, take a luxurious midday break and warm up with coffee and cake. After exploring even further, why not extend your stay and treat yourself to a delicious meal in one of the city centre's many tempting eateries?

With **late night shopping** on **Thursday evenings** when many shops will be open until 8pm, convenient, affordable parking and everything within easy walking distance, it's a unique and pleasant experience!

Take advantage of the special Christmas parking offers this year. Festive shoppers will be able to park free of charge after 6pm on Thursday evenings at Worcester City Council car parks or on Sundays there is £1 all day parking available at CrownGate shopping centre car park.

And don't forget about the city's amazing **festive activities** and **magical entertainment** for all the family. You're invited to come to Worcester for a fun filled festive programme to shop, eat and celebrate this December! It's all about making your Christmas shopping experience as easy as possible and a truly memorable treat. We are sure that you will want to come back again to get Christmas all wrapped up in Worcester.
